

Guidelines for Storybook Submissions

A Storybook is a selection of 3 to 5 images that are arranged in a particular sequence that tell a story.

This is a non-competitive, fun & entertaining activity in which we encourage all members to participate by submitting their own Storybook.

Choose 3 to 5 images that tell a story. Give your Story a title and give each of your images their own title. Log in to the website and upload your Storybook. (The image preparation is the same as for competitions; maximum 1280 pixels wide and maximum 1050 pixels high, JPEG, sRGB colorspace.)

You will have the option to enter your Storybook title and the sequence in which each of your images is to be displayed.

To upload, click on the [Upload Storybook] link on the sidebar of the website.

The submission deadline for your Storybooks is midnight, Tuesday, February 14, 2012. The storybooks will be shown at the club meeting on February 21.
